

Seize The Day - The International Staff Band of The Salvation Army

(Reference #21451)

This recording represents a selection of the band's concert repertoire 2009 - 2010. The band is fortunate to benefit from receiving a regular supply of new music from Salvationist composers from around the world that arrives in The Salvation Army's UK Music Ministries Unit on an almost daily basis. This constant stream of new music brings a freshness to the band's concert and recording repertoire. The content of this recording is made up of music by composers from the UK and USA and its release is timed to coincide with the band's Easter 2010 tour to the USA Western Territory of The Salvation Army.
